

PREempt[®]

Surface Cleaners and Disinfectants formulated

with **AHP**[®]
Patented

WHY CHOOSE PREempt™?

➤ **CLEANER** Effective disinfectant as well as a cleaner resulting in added confidence that disinfection can occur.

➤ **FASTER** Rapid and realistic contact times on a broad spectrum of difficult to kill pathogens.

➤ **RESPONSIBLE** Designed to be easier on surfaces, staff and occupants. Users are not exposed to VOCs (volatile organic compounds) and PPE** is not required as per HMIS rating.

➤ **SUSTAINABLE** The active ingredient, Hydrogen Peroxide, breaks down into water and oxygen leaving no active residual which helps to reduce environmental impact.

Accelerated Hydrogen Peroxide[®] (AHP[®]) technology is a patented synergistic blend of commonly used ingredients that when combined with low levels of hydrogen peroxide dramatically increases its germicidal potency and cleaning performance.

PREempt™ cleaners and disinfectants are based on the patented Accelerated Hydrogen Peroxide[®] (AHP[®]) technology and were designed with your key decision making criteria in mind: Cleaning Performance, Germicidal Efficacy, Health & Safety and Environmental Sustainability.

** Personal Protective Equipment is not required when in-use solution is used.

SURFACE PRODUCTS

PREempt™ One-Step Disinfectant Cleaner Wipes

- Made of low linting non-woven, meltblown polypropylene wipe material, ensuring even surface coverage and increasing the ability and efficiency of AHP® for fine particle removal.
- Ideal for rapid disinfection of non-critical devices and equipment, and can be located throughout a facility, reducing the potential for cross-contamination or the spread of infections.
- Wall Brackets are available to ensure easy access for use at point of care.

PREempt™ Ready to Use Multi-Surface One-Step Disinfectant Cleaner

- For use as a daily surface cleaner and disinfectant in laboratories, clean rooms and other critical environments.
- Ideal for cleaning and disinfection of environmental areas and surfaces such as work stations, rapid disinfection of non-critical devices and equipment, and maintaining a clean environment to reduce the potential for cross-contamination or the spread of infections.
- PREempt™ RTU has easy to use formats with no mixing or measuring required.

PREempt™ Concentrate Multi-Surface One-Step Disinfectant Cleaner

- For use as a daily cleaner and disinfectant of hard non-porous environmental surfaces.
- The superior cleaning properties of PREempt products remove tough soil and leave surfaces fresh and clean.
- PREempt™ Concentrate In-Use Solution is designed to be easier on employees and staff therefore requiring no Personal Protective Equipment (PPE) as per HMIS rating.

AVAILABLE PRODUCTS

PREempt™ One-Step Disinfectant Cleaner Wipes

EPA REG. NO. 74559-3

- Format Size:** 6" x 7" – 160ct Wipes
Product Code: 21221
Packaging Specifications: 12 x 1 Canister
- Format Size:** 7.5" x 10" – 10ct Wipes (Soft Pack)
Product Code: 21223
Packaging Specifications: 1 Case x 6 Inner Cartons x 20 Soft Packs

PREempt™ Ready to Use Multi-Surface One-Step Disinfectant Cleaner

EPA REG. NO. 74559-1

- Format Size:** 32 oz. Bottle
Product Code: 21101
Packaging Specifications: 12 x 32 oz.
- Format Size:** 1 G Bottle
Product Code: 21105
Packaging Specifications: 4 x 1 G
- Format Size:** 5 G Pail
Product Code: 21109
Packaging Specifications: 1 x 5 G

PREempt™ Concentrate Multi-Surface One-Step Disinfectant Cleaner

EPA REG. NO. 74559-4

- Format Size:** 1 G Bottle
Product Code: 21305
Packaging Specifications: 4 x 1 G
- Format Size:** 55 G Drum
Product Code: 21311
Packaging Specifications: 1 x 55 G
