

VIROX® PRO BEAUTY OFFERS LIMITED TIME BUY ONE GET ONE PREVENTION™ HLD8 BOGO

ViroxTechnologies Inc, makers of Prevention HLD8 Tool Disinfectant, offer a special *Buy One, Get One* promotion for a limited time through [Universal Companies](#). Prevention HLD8 is a hospital-grade, FDA-approved, high-level disinfectant designed for the disinfection of your reusable tools and implements. It destroys bacteria, viruses, and fungi in only 8 minutes. The solution can be reused for up to 21 days in a soaking tray. Simple to use, with no dilution required, and exceeds most state guidelines.

"Having learned early in my nail career about the importance of disinfection and the importance of science, finding HLD8 felt like a perfect match. Using Rejuvenate's Accelerated Hydrogen Peroxide® based products in the salon enabled me to elevate my standard of disinfection so that my clients were better protected." – Holly Schippers, The Finger Nail Fixer.

"I love Prevention HLD8 for so many reasons. It is a *ready-to-use* solution with a shorter soak time for my tools, ultimately saving me time. I will never go back to anything else."-Lucy Perez, Owner and Nail Artist of Looks By Lucy.

"I can not say enough about the incredible Virox products. The two hospital-grade products that I use daily are the Prevention HLD8 Tool Disinfectant and Rejuvenate Wipes. I have total confidence in their environmentally safe and effective products. I am beyond grateful for their support of several projects involving homeless and senior foot care." - Laura Roehrick, BACK STREET FEET.

Prevention HLD8 is an FDA-registered high-level disinfectant with efficacy claims against bacterial spores, which are more difficult to kill than enveloped viruses such as SARS-CoV-2, which causes COVID-19. Therefore, Prevention HLD8 is expected to kill SARS-CoV-2 when used as directed.
