

INTERvention®

Farm Animal Care Disinfectant Cleaner & Deodorizer Concentrate

Formulated with **AHP**
Patented

Deliberately Different. ■

For Use In:

- Agricultural farms & barns
- Agricultural & livestock buildings
- Barn & Farm Premise facilities
- Breeding facilities
- Foot baths & Wash stalls
- Pens & Stalls

For Use On:

- Animal crates, Grooming equipment, Non porous harnesses & leashes
- Automatic feeders
- Brushes, Buckets, Carts, Tables & Feed racks
- Troughs, Gates & Handling equipment
- Gathering guiding/controlling equipment & non porous fencing
- Trailers, Transportation crates, Trucks, & Vehicles

- **FASTER** Superior speed of disinfection, proven to deliver superior kill performance with contact times that are 50% faster against a broad-spectrum of organisms
- **CLEANER** One-Step Disinfectant Cleaners with powerful surfactants (detergents) simplifying sanitation of animal environments saving time and money
- **RESPONSIBLE** Designed to be easier on surfaces, people and animals. Users are not exposed to VOCs (volatile organic compounds) and in-use solution does not require the use of PPE
- **SUSTAINABLE** Hydrogen peroxide breaks down into water and oxygen reducing environmental impact and improving the environment for animals and the people who care for them
- **COMPATIBLE** Designed to be compatible with a wide range of materials, protecting your investments by reducing corrosion and wear

Directions For Use

USE DILUTION MADE EASY

RATIO	PER GALLON OF WATER	PER LITER OF WATER
1:16	8oz.	64mL
1:32	4oz.	32mL
1:64	2oz.	16mL
1:128	1oz.	8mL
1:256	0.5oz.	4mL

CLAIMS

5 Minutes @ 1:16 Dilution
(Bactericidal, Fungicidal)

5 Minutes @ 1:16 to 1:64
*(Virucidal)

3 Minutes @ 1:128 Dilution
(Non-Food Contact Surface Sanitizer)

INTERvention[®]

Outbreaks eroding your bottom line? It's time for an Intervention[™] with

FARM ANIMAL HEALTH

Accelerated Hydrogen Peroxide[®] (AHP[®]) disinfectants are the Deliberately Different[™] choice to legacy chemicals that can be harsh on users, animals, equipment and the environment. Now the disinfecting power of AHP[®] is available in formats designed exclusively for farm animal health.

PROTECTING YOUR INVESTMENTS FROM HARMFUL GERMS SUCH AS:

- *Avian Influenza
- *Bovine Viral Diarrhea Virus
- *Equine Influenza A
- *Porcine Epidemic Diarrhea virus
- *Porcine Respiratory & Reproductive Syndrome virus
- *E. coli*
- *Salmonella*
- *Trichophyton (Ringworm)*

Revolutionary Disinfectants for Infection Control & Biosecurity

Dilution control and dispensing technology utilized under license from Diversey Care, a division of Sealed Air Corporation.
